2. Rodent control :

- a) The contractor would use 'ROBAN' a single dose anticoagulant bait.
- b) The treatment would cover the plant campus as well as office building by placing baits in rodent burrows/barbourages so as to keep the premises free of any rodent activities and to avoid migration within the building.
- c) The contractor will fix rodent bait station along with the external perimeter of the plant building and campus.
- d) The production and packing area where poison baiting is not advisable will provide ecofriendly nontoxic glue boards.
- e) The baits/traps must be placed along the external perimeter at strategic point.
- f) Frequency of this treatment will be once in a week to replenish the baits/traps.

3. Fly control :

- a) The contractor would spray the approved and recommended chemicals in and around the plant area which includes non-production areas like Lab. Ghee, Butter room, manholes, corridors, varanda etc. except inside the packing/production area, boiler, garage, store, time office, scrap yard.
- b) Format must be filled and signed by both the parties and a copy of the same be handedover to the Sangh.

Right & obligations of the contractor :

The contractor hereby agree to following :

- 1. That the contractor will recruit, supervise, control and disburse salaries to its personnel in accordance and in compliance with all labour and welfare legislation relevant and prevailing from time to time.
- 2. The contractor shall at all times maintain insurance policy covering to his workers or ESIC coverage.
- 3. The contractor assures that he will comply with all labour and/or other legislation applicable to the nature of the work and the people engaged in the work including but not limited to the Employees Provident Fund and Miscellaneous Provisions Act 1952, ESIC Act 194, Minimum Wages Act 1048, Factories Act 1048 and keep the company identified against any such labour and/or other applicable legislation by the contractor.

4. Every person engaged by the contractor in fulfillment of the contract must be certified medically fit before he starts work in the Sangh's premises.

Sub-contracting/non-assignment :

The contractor hereby agrees that this agreement shall be performed by the contractor itself and under no circumstances the contractor shall subcontract or assign the same to any third party.

Conditions of payment :

1. In consideration of the work done under the contract the Sangh agrees to pay @ Rs. _____ (Rupees _____ only) per month for Ujjain Dairy Plant & Rs. _____ (Rupees _____ only) per month for Milk Chilling Centre, Ratlam, Mandasour to the contractor, taxes as applicable.
2. Upon receiving the bill from the contractor, after completion of the assigned job every month, the Sangh agrees to make payment of the bills submitted by the contractor within 15 days.

Period of contract :

This agreement shall be deemed to have come into force with effect from _____ and shall remain in force till _____ and on the expiry of the said period the contract will stand automatically terminated unless it is renewed or extended in writing by the consent of both the parties as mutually agreed to.

Procedure for termination of contract :

It is further provided that either party may terminate this agreement by giving to the other one month's notice in writing.

Breach of agreement :

The contractor specifically agrees that in the event of any act of deed or misbehavior by contractor (threat, provocation, agitation etc.) or its employees against the Sangh or its officials or its business interest or violation of clause of this agreement this contract shall be terminated by the Sangh without giving any notice to the contractor.

At the time of submitting the tender, tenderer shall supply detailed information about their activities in the enclosed form.

For matters of dispute, relating to the interpretation of the above clause, the decision of the MD, MPCDF shall be final and binding on all concerned.

Jurisdiction :

Any legal proceedings arising out of this agreement will be at Ujjain.
